Equasis Information System

Information on safety, quality and protection of the environment in maritime transport

Equasis Workshop Survey 2021

EQUASIS Management Unit

27 May 2021
• **About the Survey**

  • **Background**: one of the actions proposed by Equasis MU as an alternative to the celebrations of the 20th anniversary of Equasis that could not be held due to the pandemic situation.

  • **What action?** To launch a questionnaire on the Equasis website that would serve as a support base for 3 workshops.

  • **What type of questionnaire?** 3 General questions + 13 multiple choice questions
• **Main objective:** To identify the future needs and ensure it is fit for purpose in the next decade.

• **When?** Survey was launched in February – From 04.02 to 28.02.2021

• **Number of Participants?** 2438 users participated to the survey.
